Description

Extended product overview

Accuratus 260 - USB Full Size Professional Keyboard with Contoured Full Height Touch Typing Keys & Patented One Touch Euro Key The Accuratus 260 is a firm favourite due to its classic stylish looks, durability and positive feedback keys. In a full size layout with full height shaped keys on a contoured inclined base, the 260 provides hours of comfortable typing. Each row of keycaps are finger tip shaped and have a different profile, gradually curving up towards the back of the keyboard, a feature rarely found on keyboards today. With this design it offers excellent and easy touch typing, it is designed just how keyboards always were meant to be. Each key on the 260 is laser etched, meaning the actual characters are burnt into the keycap, offering excellent durability and product life. The Accuratus 260 is available in many language layouts (UK, US, Arabic, Chinese, Russian, Danish, French, German, Dutch, Italian, Japanese, Norwegian, Polish, Spanish, Swedish and Swiss). Also with a lowercase, high visibility yellow font, USB or PS/2 interfaces and even with or without a 2 port USB2.0 hub, we have every option covered. If you are a business/education user and looking for quantity the 260 can even be fully customised at with your own specific print, keys or logo, just contact us for more details. Whether it be for home, office, school or elsewhere, you will not be disappointed with the Accuratus 260, the original and professional typing keyboard. .
