Key Features
Important highlights of this product

- Dedicated PS/2 connection

- Black case and keys (other colours made on request)

- Full 105key UK English key layout (UK English, French AZERTY, German, Italian, Polish, Spanish, Arabic, US English, Russian Cyrillic and Czech layouts are available)

- 13 Multimedia and internet hot keys including my computer and calculator

- Slim special square style minimal keycap structure, with membrane key mechanism

- FN key to multiplex some of the F keys to multimedia keys

- Keys have a soft and tactile feel allowing for comfortable and natural typing

- Laser etched key legends for long life and durability

- Rubber feet on the front edge of the base of the keyboard for great desk stability

- Framed keys so that the keys cannot easily be pulled off.

- Compact and slim design - only half the height of a standard keyboard

- An excellent counterpart to your high end PC & LCD screen

Description
Extended product overview

Accuratus 301 - PS/2 Full Size Super Slim Multimedia Keyboard with Square Modern Keys in Black - UK English Layout The Accuratus 301 PS2 keyboard is a full layout keyboard but in an extra slim - minimalist casing. With a dedicated PS/2 connection it can be connected to computers that require a PS/2 connection. The 301 has a special type of square keycap which are slimline and have a soft touch and tactile feel, setting you up for hours of comfortable typing. The 301 also offers clear easy read laser etched key legends, meaning the letters will always remain fresh throughout the life of the keyboard. The 301 is finished in black durable plastics giving a clean, fresh and modern feel to any home, office or computer environment. Available in a variety of languages. For a matching PS/2 Mouse we have our Accuratus 1330 . UK Assembly Options Available.
