Description

Extended product overview

Accuratus 3410 - USB Super Mini Micro Scissor Key Keyboard with Touchpad The Accuratus 3410 super mini micro sized touchpad keyboard is specifically designed for environments requiring a smaller footprint keyboard with a high specification. The keys on this keyboard are scissor key design, giving a very soft tactile touch for comfortable typing and offering a long lifespan. The Accuratus 3410 even has an integrated touchpad at the front, offering an all in one keyboard and mouse taking up the size of only half a sheet of A4 paper! With all these features, top quality design and durability, the 3410 is an ideal keyboard for every situation that requires a compact all in one keyboard; office, home, POS and industrial purposes.
