- Compact and slim design - only half the height of a standard keyboard
- An excellent counterpart to your high end PC & LCD screen
- Status LED's (Caps, Num & Scroll Lock)
- Brown box environment friendly packaging

Description

Extended product overview

Accuratus 395 Black - USB Super Slim Mini Keyboard with Square Modern Keys The Accuratus 395 keyboard is a mini layout keyboard but in an extra slim - minimalist casing, ideal for requirements where size is key. The 395 has a new special type of square keycap which are slimline and have a soft touch and tactile feel, setting you up for hours of comfortable typing. With a frame around each key the keycaps cannot easily be pulled off, especially good for disruptive school children. The 395 also offers clear easy read laser etched key legends, meaning the letters will always remain fresh throughout the life of the keyboard. The 395 is finished in pure white durable plastics giving a clean, fresh and modern feel to any home, office or computer environment. Keyboard Features and Specifications
