Description

Extended product overview

Accuratus K82A 15KV - USB Mini Scissor Key Keyboard with 15KV ESD Air Discharge The Accuratus K82A 15KV is a mini keyboard specially designed with a 15KV ESD Air Discharge rating for meeting high spec requirements. Boasting one of the smallest footprints out of all Accuratus keyboards, the K82A is perfect for situations where space saving is essential. The keys on this keyboard are scissor key design, giving you a very soft and tactile touch for hours of comfortable typing. With all these features, top quality design and durability the K82A is an ideal keyboard for every situation; office, home, POS and industrial purposes. Comparable to the Cherry G84-4100 Keyboard.
