Description
Extended product overview

Accuratus Mini Hivis - USB Mini Multimedia Keyboard with High Visibility Legends and Multimedia Keys Boasting one of the smallest footprints out of all Accuratus keyboards, the miniHivis is perfect for situations where space saving is essential. The high visibility legends open up new opportunities for those with bad or impaired eye sight, it is widely recognised that a yellow font is far easier to read than white font. The miniHivis is ideal for home, POS and retail.
