## Key Features

Important highlights of this product

- USB 'plug and play' connection
- Black case with modern look and feel
- Familiar standard sized keys designed to be easy to recognise and use
- Same outer size as a conventional keyboard
- Mixed colour keys with large UPPER and lowercase font and keys grouped in different colours making learning easy and fun
- Large bold UPPER and lowercase legends designed to be easily recognised by children
- Easy to learn text written on the keys (tab, capitals, shift, spacebar, enter)
- Designed with spill holes in the base of the keyboard so that any minor spillages can escape without damaging the keyboard membrane
- Fold down feet providing keyboard tilt
- Tactile feedback responsive keys
- Full size UK key layout
- Status LED's (Caps, Num & Scroll Lock)

## Description

Extended product overview

Accuratus Rainbow 2 Mix - USB Mixed Colour Children's Learning SEN Keyboard with Extra Large Font & Mixed Colour Keys For children the Rainbow 2 Mix is the perfect entry into computing, with large UPPER and lowercase font and keys grouped in different colours making learning easy and fun. The Rainbow 2 Mix also has extra words on the keys such as; Shift, Space Bar, Backspace to make learning these keys easy to follow. To match the keyboard choice we have our Accuratus Junior mouse with coloured buttons and scroll wheel and a smaller size, the perfect partnership. Designed to assist SEN users by using precise colour contrast ratios backed by RNIB research, the Rainbow keyboard is a brain-friendly alternative to regular, non-assistive keyboards. Our Rainbow mixed colour keyboard has special dual font printing to ensure the correct contrast ratio for characters (black on yellow keys and white on other colour keys). If you feel this suits your needs you can also talk to your IASS advisor. If you qualify for disabled person VAT relief on purchases please contact us.
