Description

Extended product overview

Cast movies, shows, or music from the palm of your hand with a PV12 LED wireless projector. With a built-in collapsible stand, a built-in 5 hours battery, and Bluetooth speaker, and variable refresh rate compatibility, you'll get a highly portable and convenient projection experience across its up to 30,000 hour lifetime. Key Features: Resolution: FWVGA (854 x 480) Contrast Ratio: 5,000:1 Aspect Ratio: 16:9 (Native), 4:3 (Compatible) Throw Ratio: 1.3 (1778 mm@2000 mm) Brightness: 800 lm ANSI (Standard), 25 lm ANSI (ECO) Collapsible Stand Design The convenient, built-in stand lets you adjust and project all your content at even more angles – even the ceiling itself. When not in use, you can store the stand away inside the projector itself. Amazingly Portable Have fun anywhere, anytime or give presentations on the go with this compact, palm-sized projector. Auto Portrait Your phone auto-rotates, and now your projector can too! With Auto-Portrait technology, you can now change your projection orientation on the fly. No need to mess with settings or the content - just stand it up, and the projector will automatically remove those pesky black bars when you enter portrait mode. Wireless Projection Break free from the clutter of wires with easy wireless projection options and wireless dongle design. Built-in Bluetooth Speaker Enjoy your content anywhere - without needing to take an extra speaker. Set the tone with full, vibrant audio from the on-board Bluetooth speaker and ensure your movies come to life, songs have more depth, and games are more engaging. Variable Refresh Rates Eliminate screen flickering and tears for a smoother visual experience when playing games or fast-paced video content on a variable refresh rate-capable projector. Extended LED Colour Space Enjoy a 1.2-1.4 times larger REC.709 colour space and a longer life of the lamp than conventional lamps. 4 Corner Correction Quickly and easily adjust distortion in each individual corner with 4 Corner Correction. Up to 30,000 Hours Lifetime Use this projector as often as you like and for as long as you like; with a 30,000-hour lifetime, you won't be needing a replacement any time soon.
