Description

Extended product overview

Unleash the power of the Acer H6543Ki wireless projector with its incredible Full HD resolution, 4,800 ANSI lumens, and cutting-edge technologies like Acer ColorSafe II, ColorBoost3D, and BlueLightShield. Elevate your viewing experience while protecting your eyes and enjoying stunning colour accuracy. FHD Resolution A 100" image of pure beauty in 1080p Full HD looks so real, you'll swear you're looking out the window. 4,800 Lumens Brightness See crystal-clear, vibrant images from a distance in daylight or medium to large rooms with up to 4,800 lumens of brightness. Acer BlueLightShield Protect your eyes from unnecessary strain by utilizing Acer BlueLightShield technology. Acer LumiSense Acer LumiSense adjusts the image brightness and colour saturation based on the content you're viewing. Acer ColorBoost3D Reproduce lifelike colours and brilliantly bright images with Acer ColorBoost3D technology. Acer ColorSafe II Enjoy consistent, natural colours with ColorSafe II technology, which controls the dynamic RGB levels to prevent colour decay. Automatic Vertical Keystone Correction Finding the right angle for your presentation is easier with auto keystone correction, which corrects vertical distortion. 24/7 Operation This projector handles continuous day in, and day out use - ideal for public displays and exhibitions. Wireless Projection Break free from the clutter of wires with easy wireless projection options and a wireless dongle design.
