Description

Extended product overview

The Banqueting Multi Purpose Chair, designed to provide comfort and convenience for any event. This chair is ideal for hospitality use in both public and private sector environments. The chair stacks 8 high, which is perfect for when you have limited storage space. The high fabric back with handle aids in easy setup and movement, while the powder-coated black metal frame ensures durability and stability. The sleek design and generous foam padding make it a great addition to any event space. Invest in our Banqueting Chair for a reliable and practical seating solution that will impress your guests and elevate your event.
