Description

Extended product overview

The Calypso 2 High Back Operator Chair with Fixed Arms is the perfect addition to any office space. With its 'permanent contact back' mechanism, this office chair provides optimal support and comfort for long hours of sitting. The deep cushioned seat and upholstered office chair fabric ensure maximum comfort and durability. The high back office chair provides excellent support for the neck and back, reducing the risk of strain and injury. The star base with five castors allows for easy movement and mobility around the office. Made from 100% man-made fabric, this office chair is easy to clean and maintain, making it a practical and stylish choice for any workspace. Invest in the Calypso 2 High Back Operator Chair with Fixed Arms for a comfortable and productive workday.
