Description

Extended product overview

The Calypso 2 Mesh Office Chair with Adjustable Arms is the perfect solution for those who spend long hours at their desk. The breathable mesh back office chair provides excellent ventilation, keeping you cool and comfortable throughout the day. The 'permanent contact back' mechanism office chair allows for easy adjustment of the seat height and tilt, ensuring optimal posture and reducing the risk of back pain. The high back office chair provides excellent support for your neck and shoulders, while the star base with five castors ensures easy mobility around your workspace. Made from 100% man-made office chair fabric, this chair is durable and easy to clean, making it a great investment for any office.
