- Robust, powder coated, black frame
- Conforms to BSEN 15373: Level 2 making it structurally suitable and sufficiently stable for contract use
- Stackable up to 8 high for easy storage

Description

Extended product overview

Introducing our new canteen chair, designed to provide maximum comfort and durability in shared dining spaces. The wipe clean feature ensures easy maintenance and hygiene. The robust powder-coated black frame provides stability and strength, making it perfect for high traffic areas. The polypropylene seat and back offer a comfortable seating experience, while the sleek design adds a touch of elegance to any space. Whether you're looking for a chair for your canteen, cafeteria, or break room, our canteen chair is the perfect choice. Invest in a chair that will last for years to come and provide your employees or customers with a comfortable and stylish seating option.
