Extended product overview

Lead time for delivery on this item is 3-5 working days. CASIRIS H6 Triple Laser Projector: A New Era of Home Cinema Experience brighter, bigger, and more immersive viewing with the CASIRIS H6, featuring cutting-edge RGB Triple Laser Technology and a full Colour Management System (CMS). Covering an impressive 110% of the BT.2020 colour space, the H6 renders vibrantly lifelike images with exceptional accuracy bringing your favourite films, sports, and games to life in breathtaking detail. Key Features: Powered by RGB Triple Laser Tech Wide Colour 110% BT. 2020 Sharp 4K UHD 150" Experience 3,000 ANSI Lumens Dolby ATMOS Cinematic Sound Stunning 4K UHD Clarity Enjoy true 4K Ultra HD resolution with 8.3 million pixels for razor-sharp visuals. Whether you're projecting at 80 inches or going all the way to 150 inches, the customised lens ensures you get the clearest, largest picture possible. Perfect for turning your living room into a personal cinema. 3,000 ANSI Lumens for Day or Night With 3,000 ANSI lumens of brightness, the H6 delivers vivid images even in well-lit conditions. So, whether it's a daytime sporting event or a late-night film, you can enjoy a crystal-clear picture without compromising on colour or contrast. Atmospheric Sound and Immersive 3D Dolby Atmos and DTS-HD surround sound capabilities deliver a theatre-like audio experience that transports you right into the heart of every scene. For an extra dimension of fun, the H6's active 3D technology (with compatible glasses) opens the door to a whole new realm of immersive entertainment. High Dynamic Range (HDR 10+) HDR 10+ optimises the contrast and colour range, so dark scenes gain deeper blacks and bright highlights appear more vibrant. Every frame looks richer and more detailed, adding visual depth to anything you watch. Effortless Set-Up and Intelligent Features Equipped with electric focus and 8-point keystone correction, the H6 is straightforward to install, ensuring you can achieve a perfect image from almost any angle. Powered by Android 9.0, you'll have access to a world of streaming apps, while Wi-Fi 6 and Bluetooth connectivity make mirroring and audio pairing seamless and speedy. The included remote features built-in voice control, allowing you to navigate projector hands-free with ease. Transform any space into your very own cinematic haven. The CASIRIS H6 delivers unparalleled picture quality, immersive sound, and modern convenience ensuring you can enjoy a professional-grade home cinema experience, right in your living room
