- Chrome 5 star, height adjustable swivel base with castors
- Supplied with black and chrome adjustable arms

## Description

Extended product overview

---

The Chachi Ergonomic Office Chair is the perfect addition to any office space. This black mesh office chair offers permanent contact across the entire back, providing superior lumbar support. The adjustable torsion control and adjustable recline allow for a customised seating experience. The contemporary look of the chair is sure to impress, while the ergonomic features have been tested and approved for office use by a qualified physiotherapist. The mesh headrest and chrome base add to the overall design, while the adjustable height and swivel make it easy to find the perfect position. Say goodbye to discomfort and hello to productivity with the Chachi Ergonomic Office Chair.
