- Suitable for 24 hours of continuous use in demanding work environments
- 5 star, height adjustable swivel base with castors

Description

Extended product overview

The Cheetah Office Chair is the ultimate solution for those who spend long hours at their desk. With its ratchet back feature, you can adjust the chair to your desired height and angle, while the integral seat slide accommodates taller users. The thick, luxurious seat pad provides supreme comfort, making it perfect for extended use. The heavy-duty mechanism is built to withstand 24-hour use and can support up to 24 stone in weight. This chair has been tested and approved by a qualified physiotherapist for its ergonomic features, ensuring that it is perfect for office use. Say goodbye to discomfort and hello to productivity with the Cheetah Office Chair.
