Description

Extended product overview

Features Exceptional sound comes from 40mm drivers that enable a wider dynamic range to deliver crystal-clear audio. Compatible with all USB-C devices running Windows, macOS, iOS, Android and Chrome OS. Designed to fit all ages for universal comfort, the adjustable headband is padded and the flexible boom-style microphone can be rotated up to 270°. The foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use. Noise-cancelling microphone uses passive-resistance technology to filter out ambient noise for optimum speech clarity. Safe-listening limiter sets the maximum audio level to 94dB to protect ears from hearing loss associated with excessive volume. Noise-cancelling microphone uses passive-resistance technology to filter out ambient noise for optimum speech clarity.
