Description

Extended product overview

The Concept Deluxe Chair With Adjustable Arms is the perfect addition to any office space. With a deep cushioned seat and back upholstered in a hard wearing fabric, this chair provides ultimate comfort and durability. The asynchro mechanism allows each user to adapt the chair to their needs, ensuring maximum support and comfort throughout the day. This chair has been tested and approved for office use by a qualified physiotherapist, ensuring that it meets all ergonomic standards. The adjustable arms for office chair provide additional support and comfort, making it the perfect choice for those who spend long hours at their desk. Made from 100% man-made fabric, this chair is not only comfortable but also easy to clean and maintain. Invest in the Concept Deluxe Chair With Adjustable Arms for a comfortable and productive workday.
