Description

Extended product overview

The Concept High-Back Chair With Adjustable Arms. The deep cushioned seat and back upholstered in a hard wearing 100% man made fabric ensures durability and comfort for extended periods of use. The 'Permanent Contact Back' feature ensures user comfort for up to eight hours, while the backrest angle can be fixed or set to free float with the user's movements. The adjustable arms provide additional support and comfort for the user. This chair is perfect for those who spend long hours at their desk and need a comfortable and supportive seating option.
