Product Features Gas Height Adjustment Easily customise your seating position with the gas height adjustment, ensuring ergonomic comfort for every user. Independent Seat and Back Tilt Adjustable Independently adjust the seat and backrest angles to suit your posture and task, allowing for a fully personalised seating position that enhances support and comfort throughout the day. Backrest Tilt Adjustment Adjust the backrest angle to find your perfect recline position, ensuring optimal support and comfort. Optional Height Adjustable Armrests Easily adjust the armrest height to reduce strain on your shoulders and arms, promoting a more ergonomic working posture. This chair is also available with loop arms, folding height adjustable armrests for added flexibility, or without armrests entirely. Height Adjustable Backrest Customise your seating experience with the height adjustable backrest, designed to provide tailored lumbar support and promote ergonomic posture throughout your workday. Bespoke Fabric Options Make it personal with one of 20 bespoke colourways to tailor your space to your exact vision. Whether you're designing for home or the workplace, there's a fabric to match your style. Go classic with Rivet, or choose Quest made using yarn spun from plastic bottles reclaimed from our oceans, for a more sustainable approach. Whatever your preference, the detail is yours to define.
