Description

Extended product overview

This 4K PRO-UHD1 projector delivers high-end features at an affordable price. You can enjoy the latest 4K content, with superior image quality and a display that reaches up to 500". Lining up the picture is effortless using lens shift, optical zoom and keystone correction. Enjoy 4K content, and connect streaming devices, Blu-ray players, game consoles and more via the HDMI ports. Key Features: 4K PRO-UHD1 for crisp, clear images Watch native 4K and upscale non-4K content Easy to set up and access content Stream content by plugging devices into either of the two HDMI ports High-quality and affordable Flexible features that deliver a 4K experience at an affordable price Engaging big-screen experience Get the best out of movies, sports and gaming Watch a movie a day for the next 7 years 2 5,000 hours lamp life in Eco mode 4K PRO-UHD1 for superior image quality Experience bright, vivid colours with this affordable 4K PRO-UHD1 projector. By delivering an equally high White and Colour Light Output of 3,000 lumens, it achieves both a high brightness and intense colours. The high contrast ratio of 40,000:1 delivers deep blacks and clearly defined shadows, and the frame interpolation gives sharper fast-moving images. Big screen experience Feel immersed in your home entertainment with an engaging big screen experience. This projector can create a display size up to 500", can play 2D and 3D content, and boasts noise cancelling technology. Lens shift, zoom and keystone correction ensure that your picture is exactly where you want it to be. Smart connectivity solutions Plug and play 4K content simply by inserting a streaming device in the back of the projector so it's ready to go at a moment's notice. You can also display 4K content from a games console, set-top box, Blu-ray player, tablet or other device via the two HDMI ports. Connect sound bars wirelessly via Bluetooth.
