## Description

Extended product overview

The Factory Chair 2 Lever is a versatile chair designed for assembly lines, science labs, factories, and workshops. Its hard-wearing, wipe clean, polyurethane seat and back make it perfect for industrial environments. The supportive backrest on the draughtsman chair provides comfort and reduces fatigue during long shifts. The fixed chair mechanism ensures stability and safety. This chair is built to last and withstand the demands of a busy workplace. Its sleek design and functionality make it a great addition to any workspace. Invest in the Factory Chair 2 Lever for a comfortable and durable seating solution.
