**Key Features**

Important highlights of this product

- Steel legs and frame
- Intermediate legs facilitate combining of tables
- Perfect for collaborative spaces with changing requirements
- Easily supports teams working together
- Classic and durable design

## Description

Extended product overview

Infinity tables are a modern twist on the traditional 4 leg table. Intermediate legs facilitate larger tables to support teams working together or collaborative spaces. Available in various popular sizes, these tables can be arranged in an almost infinite number of configurations.
