Key Features

Important highlights of this product

- Steel legs and frame
- Intermediate legs facilitate combining of tables
- Variety of popular sizes
- Perfect for collaborative spaces with changing requirements
- Range of finish/colour combinations

DescriptionExtended product overview

Infinity tables are a modern twist on the traditional 4 leg table. Intermediate legs facilitate larger tables to support teams working together or collaborative spaces. Available in various popular sizes, these tables can be arranged in an almost infinite number of configurations.

Generated automatically from live product data. Pricing and availability may change. This datasheet is valid for 7 days from the date of generation.
