Description

Extended product overview

Transform your viewing experience with the Hisense C2TUK. Whether you're watching home movies or revisiting the golden oldies, this Hisense projector is more than giving big screen energy. That's because it's got 4K Ultra HD resolution combined with a pure triple laser for crisp, clear visuals enhanced with Dolby Vision™ for an absolutely show-stopping array of colours. All that and it can project up to a size of 300 inches, so it'll look life-size as well as lifelike. And the sound isn't an afterthought. You'll enjoy 360 degrees of incredible Audio by JBL®. Just wait until that epic fight scene, it'll feel like you're there. 65"-300" Super Wide Projection Size Up to 300-inch Movie Screen The C2 Ultra offers consumers a huge projection range from 65" to 300", so no matter the size of your space you'll enjoy the perfect picture. Pure Triple Color Laser Enjoy Vivid, lifelike colors Experience extremely precise and accurate colors with the innovative design of the MCL38 Laser. With 28 laser chips, each powerful enough to match up to 4 LEDs, the result is superior depth and subtlety. Flexible Installation Just place it by your way Mount your projector on the wall, ceiling, or floor to get the perfect viewing angle.
