Description

Extended product overview

Optional Keyboard Holder Platform for Floor Lifts The MD 063B7240 keyboard platform can be used to install a keyboard underneath a large format display on a floor lift. The keyboard platform is mounted on the underside of the floor lift backplate. The platform can be used for most floor lifts and large format displays up to 70". The maximum distance between center VESA and the bottom edge of the display is 476mm.
