Description

Extended product overview

The ideal all-in-one solution for environments where performance and reliability are mission critical. The iiyama Pro-Lite LH9852UHS is a 500cd/m high brightness professional large format display with a 24/7 operating time. On-board Android 8.0 OS means you can easily customize the display to your needs and install applications directly to it. The embedded option of Nsign* empowers you to create and schedule a range of content across multiple screens using a powerful cloud-based solution. The OPS PC Slot provides embedded PC option for total flexibility, security and control, while the FailOver feature ensures your content is always actively displayed through your choice of inputs.
