## Description

Extended product overview

Floor supported wall lift for large format (Touch) displays up to 86" Thanks to its double columns, this floor lift offers extra stability and robustness for working with touch displays up to 86 inch, 120kg. The display can easily be adjusted in height with the remote control and the electrical height adjustment is very silent. At the back side of the mounting utility there is space reserved to place a mini PC or thin client. Max.load 120 kg (86"). Electric height adjustable with 870mm range, max centre 1806mm, anti-collision. Adapter MD 052B7288 included
