Description

Extended product overview

Floor supported wall lift for large format (Touch) displays up to 98" This floor lift offers thanks to its three columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client. Floor supported wall lift for (touch) flat screens, Max.load 180 kg (98"). Electric height adjustable with 870mm range, max centre 1806mm, anti-collision. Adapter MD 052B7288 included
