Description

Extended product overview

This fixed on-floor and wall single-column electric lift stand is a perfect solution for 55"-98" displays. Its suitable with screens up to VESA 800x600mm and up to 120kg. Equipped with an easy mount, based on pull and release brackets and a wired remote, it is a perfect solution for displays placed in classrooms or conference rooms. This column is a perfect match for the iiyama TE12, TE14 and TE18 SERIES iLFDs allowing users to control the height from the screen itself. With the option to save 2 height level pre-sets, different users can quickly adjust the screen position to their needs. The 4-inch muting castor omni directional wheels make it easy and save to move the car around.
