Description

Extended product overview

43" 4K UHD Professional Digital Signage 24/7 display (Landscape and Portrait) featuring Android OS, FailOver and Intel® SDM slot The ideal all-in-one solution for environments where performance and reliability are mission critical. The iiyama ProLite LH4352UHS is a 500cd/m² high brightness professional large format display with a 24/7 operating time. On-board Android 8.0 OS means you can easily customize the display to your needs and install applications directly to it. The embedded option of Nsign* empowers you to create and schedule a range of content across multiple screens using a powerful cloud-based solution. The Intel® SDM Slot provides embedded PC option for total flexibility, security and control, while the FailOver feature ensures your content is always actively displayed through your choice of inputs.
