Description

Extended product overview

50" Professional Digital Signage display with 24/7, 4K UHD and 700cd/m² high brightness performance. This high brightness display will deliver dynamic and sharp content, designed to entice and captivate your audience. The slim bezel and true commercial display with a 4K UHD resolution (3840x2160), 700cd/m² and a contrast ratio of 4000:1 provides vibrant, detailed and sublime images. Thanks to on-board Android 9.0 you can easily customize the display by installing applications directly to it and makes it the perfect choice for Digital Signage, In-store communication and messaging. Designed to perform in continual, around the clock environments, the LH5070UHB can be installed and utilised in landscape and portrait orientation. The jaw dropping and best-in-class 30mm total depth (when used with the included proprietary brackets) will mean this display can be installed discreetly and elegantly in all areas.
