Description

Extended product overview

65" 4K UHD Professional Digital Signage display Enjoy brighter signage with the ProLite 42 Series. Delivering a slim bezel, 4K UHD, 500cd/m² brightness display, which can be operated 18/7 in landscape and portrait orientation, whatever the application. Thanks to the Android OS, you can easily customize the display by installing applications directly to it, making it the perfect choice for Digital Signage and In-store communication. The Intel® SDM Slot provides embedded PC option for total flexibility, security and control, while FailOver feature ensures your content is always actively displayed through your choice of inputs.
