Description

Extended product overview

Elevate your visual communication with the LH6560UHS-B2AG and unlock the new possibilities for your business. This 500cd/m² high brightness display is a powerful business tool that takes your marketing and communication efforts to the next level. With its Android 11 OS, iiSignage² (Content Management Software), Signal FailOver and EShare features, this display offers a straightforward user experience, making content creation, management, and sharing a breeze. This ELED VA display consumes significantly less power compared to DLED IPS while maintaining the same level of brightness. Its versatile orientation, sleek design, and 24/7 reliability ensure it seamlessly integrates into any business environment. Whether it's used in retail, corporate, hospitality, or educational settings, the LH6560UHS-B2AG will undoubtedly captivate your audience and leave a lasting impression.
