Description

Extended product overview

Connect and go with the ProLite T2234AS-B1, the all-in-one monitor solution for shops, retail or information desks. The HDMI output makes it easy to connect a second customer-facing display for dynamic content and advertising. The robust screen comes with a rugged bezel and an IP65 rating, meaning the monitor is dust and water resistant from the front. Cables can be neatly tied with the special cable cover, so they cannot come loose or move around. Featuring IPS LCD screen technology, it offers exceptional colour performance and wide viewing angles, making it a perfect interactive display for in-store retail.
