Description

Extended product overview

With its Full HD (1920x1080) resolution and accurate Projective Capacitive 10 point touch technology, the ProLite T2251MSC-B1 delivers seamless and accurate touch response. Featuring IPS LED screen technology, it offers exceptional colour performance and wide viewing angles, making it a perfect choice for a vast array of interactive applications. In addition, the edge-to-edge glass and ultra slim design creates an eye-catching finish. Users can benefit from its hinged stand allowing the monitor to lay down completely flat for use as a giant tablet. The ProLite T2251MSC-B1 is the ideal solution for interactive signage, instore retail, POS and interactive presentations.
