**Description**

Extended product overview

The ProLite T2452MSC-B1 with its Full HD (1920x1080) resolution and accurate PCAP 10 point touch technology, delivers a seamless and accurate touch response. Featuring IPS LCD screen technology, it offers exceptional colour performance and wide viewing angels. A special Nano coating ensures a smoother touch and less resistance in the swipe. It makes the screen less static and susceptible to dirt, dust and fingerprints. A solid and steady base supports the touchscreen with an adjustable stand. Multiple inputs (HDMI, DP) are available for flexible connectivity along with USB for the touch interface. A perfect choice for a vast array of applications.
