Description

Extended product overview

Inspire infinite possibilities with the ProLite TE6502MIS-B1AG, a perfect hybrid interactive solution for any room. This 65" 20-point touchscreen with iiWare (Android 9.0 OS) features Note, web browser, file manager, cloud drives, WPS office and ScreenSharePro. The included touch pens allow users to annotate easily on files and on-screen content, which can be saved directly to a USB device, 16GB internal memory or a selected cloud drive. Supporting playback of presentations, high-resolution video and almost any other type of content. This touchscreen has a standard OPS Slot to slide in an OPS PC (available from iiyama) and comes with built in front facing speakers. The high-quality commercial VA screen with a 4K UHD resolution (3840x2160), 400 cd/m² and a contrast ratio of 5000:1 provides vibrant, detailed and high-quality images from anywhere in the class or meeting room. The anti-glare coating drastically reduces ambient reflection in high-brightness environments without compromising the sharpness and clarity of the image. The screen is equipped with an all-metal bezel and 4mm thick hardened glass to ensure robust durability in high-use environments. IIYAMA SHARE Connect up to 9 devices and easily share, stream and edit content from your device to your interactive display and vice versa, back to your laptop, tablet or phone. iiyama Share supports AirPlay, Chromecast and Miracast.
