Description

Extended product overview

The ProLite TF3215MC-B1 (31.5 inch) uses PCAP touch technology and is built into an eye-catching bezel with edge-to-edge glass. Thanks to a glass overlay covering the screen and a rugged bezel, it guarantees high durability and scratch-resistance, making it perfect for kiosk and high use public facing applications. Equipped with a foam seal finish it supports seamless integration into kiosks and provides IP65 rating resulting in dust and water resistance from the front. Landscape and portrait orientation ensures flexible mounting possibilities in almost any installation. The TF3215MC-B1 is the ideal solution for kiosk integrators, industrial environments, control rooms and interactive multimedia.
