Description

Extended product overview

Enjoy an all-in-one interactive display that combines the best in PCAP Touchscreen technology, offering the versatility and freedom of Android OS, easily customized to your needs by installing applications directly to it. Offering a powerful, yet flexible user experience, fostering creative communication with the benefits of a secure and controllable Touchscreen. The refined edge-to-edge glass design of the TF4339AS-B1AG lends itself for integration into a large variety of environments where polished design and functionality are needed, like Huddle spaces in the modern office space, Retail shops and Kiosks. The on-board iiSignage² CMS (Content Management System) gives you total control of your messaging and advertising, remotely and safely. The EShare App enables you to bring effortless ideation and efficient collaboration in your enterprise or school. You can start sharing wireless easier than ever before; while the FailOver feature ensures your content is always actively displayed through your choice of inputs For ease of integration, the TF4339AS-B1AG can be equipped with optional external mounting brackets (OMK4-3).
