DescriptionExtended product overview

The stylish edge-to-edge design of the ProLite XU2293HS with IPS panel technology offers accurate and consistent colour reproduction with wide viewing angles. High contrast and brightness values mean the monitor will provide excellent performance for photographic and web design. Equipped with speakers, headphone socket, HDMI and DisplayPort connections and a blue light reducer function to reduce eye fatigue, this 21.5" ProLite display is a great choice for both multi-monitor configuration and office applications.
