Description

Extended product overview

With an attractive 3-side borderless design the ProLite XU2793QS is perfect for multi-monitor setups. The IPS panel and WQHD (2560x1440) resolution, offers noticeably sharper images, excellent colour performance, wide viewing angles, making this ideal for productivity solutions, demanding office, and financial applications. Featuring a 1ms response time and FreeSync, this is suitable for the home office environment and casual gaming. Equipped with speakers, headphone socket, HDMI and DisplayPort connections, a blue light reducer function to reduce eye fatigue and compatibility with iiyama desktop arm accessories for multiscreen productivity solutions, make this 27" XU2793QS display is ideal for any modern workplace.
