Description
Extended product overview

The demanding data and application heavy world needs a display that creates a more productive work place. With 1920 x 1200 resolution, the XU2395WSU offers 11% more height with the same width as a Full HD display, which works much better for spreadsheets, word documents and browsing the Internet. The IPS panel technology assures accurate and consistent colour reproduction with wide viewing angles. VESA mountable and ideal for dual display applications, the XU2395WSU is an ideal partner for an iiyama dual monitor arm or stand.
