Description

Extended product overview

Equipped with a USB-C connector, the XUB2492HSC allows you to simplify your workspace by using a single cable to power and charge the notebook from the monitor. The IPS matrix offers accurate and consistent colour reproduction with wide viewing angles. The blue light reducer function with flicker free LCD technology reduce eye strain and offer a more comfortable viewing experience. Supplied with a height-adjustable stand featuring swivel function, the XUB2492HSC allows you to easily adjust the screen position to your preferences.
