Description

Extended product overview

27" WQHD IPS panel with an ergonomic stand and USB-C Connectivity Supplying USB Type-C connectivity, the XUB2792QSC allows you to simplify your workspace by using a single cable to connect, power (65W power delivery) and charge the notebook from the monitor, providing the foundation for hybrid office spaces. The IPS panel and WQHD (2560x1440) resolution offer noticeably sharper images, excellent colour performance, wide viewing angles, making this ideal for productivity solutions, demanding office applications as well as CAD. Equipped with speakers, headphone socket, a blue light reducer function to reduce eye fatigue and an ergonomic 150mm height adjustable stand for optimal user comfort. TCO conformity and low power consumption make this XUB2792QSC an ideal display for the modern environmentally conscious, yet productive workplace.
