Description

Extended product overview

Universal wall mount, max 438x400mm. 125kg All universal wall mounts are VESA compatible. Besides wall mounting, all our wall mounts can be used for ceiling mounting in combination with a tube set and for floor mounting (using coupling bolts) together with a stand. The mounts include fastening material to secure the mount to the display. Furthermore they include a safety bar or fixation, offering you protection from theft; a padlock is to be added separately.
