Description

Extended product overview

Extra safe wall mount for screens 26-55 inch, up to VESA 400x400mm, max 30kg With a three-step fixation system, this wall mount guarantees extra safe usage in environments like schools and other public utility buildings. First, the vertical brackets are mounted to the display. The wall mount back plate is then screwed to the wall. And for additional safety, the vertical VESA mount brackets can be securely fastened to the wall back plate with two extra fastening screws.
