Description

Extended product overview

XL Cart on wheels for large format (touch) displays up to 86" This mobile floor solution with electric height adjustment can be used for (touch) displays up to 86 inch, 120 kg. The lift is equipped with an integrated bracket with the most common VESA patterns. A special feature of this VESA bracket is that it can also serve as a PC holder on the back. The lift offers ease of installation for the installer: with just three actions, the product is ready for use.
