Description

Extended product overview

Floor lift XL on wheels for flat touch screens up to 160kg with lockable lid for protection A motorized trolley for touch screens up to VESA 800x600. What makes this product so unique is its screen flexibility and installation ease, within just three steps the product is installed and ready for use. This wheeled stand with electrical height adjustment has continuous and silent height adjustment and an integrated screen bracket containing most VESA patterns, making it suitable for almost every display. The embedded VESA bracket has another special feature, it can be used as support for a Desktop PC at the back. Max supported display size is 98", max weight is 160 kg.
