- Curved mesh back for comfort
- Sturdy black or chrome frame
- Plastic skid feet for stability and to avoid floor marking
- Safely stackable up to 4 high

## Description

Extended product overview

---

The Jupiter Mesh Armchair is the perfect addition to any conference room or office space. Its stylish mesh-backed design provides both comfort and support, while the curved back ensures a comfortable seating experience. The plastic skid feet provide stability and prevent floor marking, making it ideal for any flooring type. The chrome legs and plastic arms add a touch of elegance to the chair, making it a great choice for any modern office. Additionally, the chair can be stacked up to 4 high, making it easy to store and perfect for smaller spaces. Invest in the Jupiter Mesh Armchair for a comfortable and stylish seating solution.
